The University of Utah's Spencer S. Eccles Health Sciences Library, Utah Telehealth Network, and the Utah Diabetes Prevention & Control Program will be recording and archiving the 2005 Diabetes Brown Bag Series. Archived presentations will be made available for free by users of the World Wide Web for asynchronous viewing via the Internet. All presentations are to be used for educational purposes only and will be protected under the Creative Commons Copyright philosophy. By registering for this program, you are giving permission and acknowledging that the program is going to be recorded, and all remote sites may at some time be recorded during question & answer periods.

SITE REGISTRATION: Please designate a phone line-video site **coordinator** to register your office/organization. This will decrease the number of lines used and increase the number of participants for each teleconference. Line availability is limited – so register early! Line requests will be fulfilled on a first-come, first-served basis. Information will be sent (e-mailed) directly to the site **coordinator**.
